FLOOR DEBATE

February 13, 2003 LB 214

amendments to LB 214. All in favor say aye. Getting a little faint there. All opposed say nay. They are adopted.

CLERK: Senator Quandahl would move to amend, AM0314. (Legislative Journal page 480.)

SENATOR CUDABACK: Senator Quandahl, to open on your motion.

SENATOR QUANDAHL: Thank you, Senator Cudaback. Members of the body, AM0314 to LB 214, if you recall, this is the bill that was introduced on behalf of the State Board of Public Accountancy that would allow CPA exams by a third party and computer rather than by the traditional pencil and paper method. On E & R, Bill Drafting Office discovered that if you actually read the committee amendments with the green copy of the bill, with the green copy's emergency clause, the result would be that in the present form the bill would strip the board's authority to actually charge any fee at all for the May 2003 examination. AM0314 would simply correct this unintended consequence and, basically, just to read it, it strikes July 1st, 2003 and inserts the effective date of this act. And so I would urge the adoption of AM0314. Thank you.

SENATOR CUDABACK: You've heard the opening on AM0314 to LB 214. Open for discussion. Seeing no lights on, Senator Quandahl. He waives the opportunity to close. The question before the body is adoption of AM0314 offered by Senator Quandahl to LB 214. All in favor of the motion vote aye, opposed nay. Voting on adoption of the Quandahl amendment to LB 214. Have you all voted who care to? Record, please, Mr. Clerk.

CLERK: 27 ayes, 0 nays, Mr. President, on the adoption of Senator Quandahl's amendment.

SENATOR CUDABACK: The motion was successful. Mr. Clerk.

CLERK: I have nothing further on the bill, Mr. President.

SENATOR CUDABACK: Senator Quandahl...or Senator Mossey, for a motion. Excuse me.
